TALMAGE BULLDOG 1962

DEDICATION

We, the Senior Class, dedicate this the 1962 Bulldog to Mr. Gary Olson and Mr. Chris Dixon. We were fortunate to have your leadership and guidance the past two years. We would also like to thank you for all your patience you have shown us when we were very trying to you.

We would also like to thank you for the co-operation you have given to us and our parents.

Mr. Olson taught us much about co-operation and sportsmanship. This indeed will be useful in our future lives.

Mr. Dixon helped us to learn much valuable information which will help all of us in our future vocations.

We were indeed fortunate to have the help and services of these two fine leaders. We will never forget them.

CLASS HISTORY

The history of our class begins on a crisp September day in 1958. Fifteen new students could be seen standing on the threshold of a four years that they would never forget. Many adjustments would have to be made, but we were undaunted in our will to learn and belong. In a few weeks we were officially welcomed by a shower of water balloons, pig eyes, and the usual tortures of Freshman initiation. It was during this year that Doyle Leeding left us when his parents moved to North Platte.

Our Sophomore year went as most Sophomore years go, with little but the usual readin' 'ritin' and 'rithmetic. The Sophomores grew, and before we knew it, we were Juniors.

In our first notable Junior Activity, we learned the workings of our county government at County Government Day in Nebraska City. Next we set to work on our Junior Class Play, "Finders Creepers". As the time drew near for our Seniors to depart, we honored them with a "Roaring Twenties" prom in Nebraska City. Among the other blessings we received in this year was a new pupil, Joey Witter, who previously had lived in Lincoln.

Then, to our astonishment, we found ourselves in the last lap of the four years that had seemed so long in the beginning. To aid us in choosing our future occupation, we were entertained at a career conference in Nebraska City. We then went to work on our Senior Class Play, a comedy entitled "Everybody's Crazy". Despite popular opinion, some of our days were spent in hard unglamorous study. This was climaxed when Warren Wellensiek won a regent's scholarship. The class was saddened when David Eastep laid down his pencil and left us to find a job.

As parting time drew near, we were honored with a beautiful Prom, "Under the Magnolias". A week later our sneak day found us stealing off to Lake of the Ozarks for an exciting weekend there. As Baccalaureate and Commencement time came, everyone was naturally relieved when their education here was finished, but even the bravest, when recalling the happy years spent here, could not help shedding a tear in his heart saying "Thank You, T.H.S."
